

Kindergarten Newsletter

November 9th – 13th

READING

RI.K.2 With prompting and support, ask and answer questions about key details in a text.

Lesson 6-Asking Questions

- *recognize question words
- *understand that most questions begin with question words
- *ask questions about words and pictures to identify key details
- ***Sight Words-go over every night**

MATH

K.OA.3 Decompose numbers less than or equal to 10 into pairs in more than one way

Lesson 10-Make 8 and 9

PHONICS

Letter Vv and Jj

The children are working on the letters Vv and Jj this week. The children should be able to tell you how many letters are in the alphabet, and how many are vowels. They should be able to name the vowels. We are still working on rhyming words. The only thing that changes is the beginning. Your child needs to be familiar with the terms, beginning, medial, and final, use these terms when referring to sounds in words. We are also counting the syllables in words. Practice saying words to your child and let them tell you how many syllables are there.

Michael Heggerty

- Letter Naming
- Rhyming
- Onset Fluency
- Blending Phonemes
- Identifying Medial Sounds
- Segmenting Phonemes
- Substituting Phonemes
- Adding Phonemes
- Deleting Phonemes
- Language Awareness

Things to Remember

- *Virtual meets Monday and Tuesday, if you signed up, you are expected to be on!
- *Virtual students must complete 90 minutes in both Math and Reading.
- *Traditional Students-Ready minutes in Math/Reading, are being worked on in class, AND your child should work on these at home as well!
- *LETTERS AND SOUNDS EVERY NIGHT!
- *WRITING NUMBERS 1-20, AND RECOGNIZING 1-20

***TURN PACKETS IN WEEKLY!**

***PRACTICE WRITING NAME!**

***Please Send Headphones to School with Your Child**

**WE ARE
MAGNIFICINT AND MARVELous!!**
