REMINDERS continued...

Parents, on virtual days you will need to check your child's Teams assignments (reading, language, math, and science) each morning to make sure they are working/pulling up correctly. If there is an issue with an assignment being blank or not pulling up, I need to know ASAP so I can fix it for you. If an assignment is not turned in due to it being blank (and you do not contact me to let me know) your child will not receive credit for that assignment.

Thank you!

REMINDERS

- EACH week students are to complete 90 minutes on iReady Reading and 90 minutes on iReady Math. Minutes not completed at school are to be done at home. Failure to complete these minutes will affect your child's grade.
- For your child to be counted as present the three days they are not at school, they HAVE to complete all Teams assignments for each day. If they fail to do so they will be counted as ABSENT.
- Students are to bring their laptop to school **FULLY** charged every day.
- Our classroom is always in need of cleaning supplies. If you would like to assist in keeping our classroom healthy and clean, any supplies would be greatly appreciated. (Lysol/Clorox wipes, hand sanitizer, disinfectant spray, Kleenex tissue, paper towels, etc.)
- We truly appreciate how diligently you have worked with us throughout this school year. If you need anything at all please feel free to let us know!
